Baptism and Eucharistic workshop update

On March 10, 2007, the ASPIRE Church Planning committee conducted an at large parishioner workshop on the Eucharist and baptism. Dennis Horbinski, our Liturgical Design Consultant and Mike Novak, led this workshop. The purpose was to educate us in the celebration of the Eucharist and baptism and its significance for the design of our church space.

Attached you will find additional information on baptism and the Eucharist and how it will influence us in our ASPIRE efforts.

ASPIRE all parishioners meeting

An all-parishioner meeting will be conducted to update the congregation on the ASPIRE project progress and to answer any questions. This meeting will be held on Thursday April 19, 2007 from 7pm to 8:30pm in the church. Please plan on attending this important information meeting.
