### Everyday Evangelizing

All of us are called to evangelize and this can be done in simple ways in our everyday lives. A suggestion this week:

This week we remember St. Ignatius of Loyola and St. Alphonsus Liguori, founders of the Jesuits and the Redemptorists, respectively. We have opportunities to imitate their lives of service for the glory of God by supporting next weekend's Holy Family School Funfest, by volunteering in our Religious Education program, or by responding to any other need listed in this bulletin.

### HOST FAMILIES NEEDED

Host families are needed for foreign exchange students who will attend Southwest High School or Notre Dame Academy for the coming school year (07/08). Each year students come to America to learn first hand about American culture and about being a part of an American family. A potential host family can choose from some of the following students: a boy from South Korea who enjoys basketball, computers, soccer and history and has gone on ecology travels with his family; a boy from Germany who loves to play tennis, sail, play soccer and loves water skiing; a girl from Brazil who enjoys camping, computers, movies, music, travel and shopping; a boy from Germany who really enjoys water sports including, sailing/boating, wind surfing, swimming, tennis and he plays the French horn and trombone, he speaks French English and German and has recently developed a love for photography; a girl from Spain who plays basketball, tennis, loves music and movies, plays piano and the guitar & composes her own music! There are many other students who would love to come to America to study for you to choose from. Students come here with good English skills, their own insurance and spending money, and mainly a desire to be a member of an American family. Host families do not need to have teenagers of their own; young families as well as empty nesters are excellent high school hosts this year.
