### Everyday Evangelizing

All of us are called to evangelize and this can be done in simple ways in our everyday lives. A suggestion this week:

Today's readings focus on humility and generosity. Reading out to others, the greatest act of worship, begins when we are sent forth at the conclusion of our liturgy. Some possibilities: donating food or goods to the poor; allowing others to go first in traffic or waiting lines; "adopting" an elderly person in a nursing home; volunteering at any service organization.
