Everyday Evangelizing

All of us are called to evangelize and this can be done in simple ways in our everyday lives. A suggestion this week:

Like Moses and the prophets in today's Gospel, our priests, deacons and lectors are responsible for reading the Word of God to us at every liturgy. Like Lazarus, each one of us is individually responsible for changing the word into action. After each reading or homily you hear, ask yourself, "How is this calling me to righteous living? How am I called to be sensitive to those around me in need?"
