## Four Year Old Kindergarten Information

### What Is Holy Family Four Year Old Kindergarten (4K)?

Holy Family School is offering a four year old kindergarten program for the 2008-2009 school year. We have a qualified teacher in the four year old kindergarten education field.

### What Do We Offer?

We will provide each child will a variety of new experiences, to help with their social development and skills. We promise a balanced program of arts, music, play, and story-time. Children will learn good manners, healthy habits, and a happy outlook toward working with their peers. Mostly, we realize each child is unique in his or her own way, and will have many chances to begin grasping early concepts of kindergarten while developing a sense of security.

### Who May Enroll & When Are The Sessions?

Children who will be four years old by September 1<sup>st</sup> of the school year may enroll. All students must be toilet trained. We have four choices of sessions. The first option runs parallel to our regular school day in which children attend Monday through Friday following the school calendar starting at 8:25am and ending at 3:20pm. The second option is attending all day Mondays, Wednesdays, and Fridays. The third option is attending only mornings Monday through Friday from 8:25am-11:45am. The fourth option is attending Monday, Wednesday, and Friday mornings from 8:25-11:45am. A minimum number of students is required to operate a session.

### What Are The Costs?

Based on the 2007-2008 tuition the cost for this year would have been:

- 4K all day Monday-Friday (8:25am-3:20pm)- \$1,975/parish member; \$3,950/nonparish
- 4K all day Mon., Wed., Fri. (8:25am-3:20pm)- \$1,385/parish; \$2,765/nonparish

**Tuition for 2008-2009 will be set in the spring of 2008.**

At the time of registration, there will be a **\$50.00 non-refundable registration** fee that will confirm enrollment and is applied to tuition.

Health forms will be given to parents. They need to be returned to school by the first day of classes. A written statement from the child's physician stating that the child is in good health and able to participate in an early childhood program is highly suggested. A similar communication from the child's dentist is also suggested.

An emergency card will be given to parents and must be returned to school on or before the first day of class. We must know where to reach you at all times in case of emergency.
