

Holy Family School's computer lab has 32 PCs and each classroom also has a pc. Students enjoy classrooms that build self-esteem and respect.

Holy Family recently added a Science/Math Lab with five lab stations and six IBM ThinkPad computers providing for hands-on science and math!

The library at Holy Family School provides the students with a wealth of information as well as a variety of good stories to read.

Holy Family Graduates Are Well Prepared Academically and Spiritually

Academic Program:

A program designed to insure academic achievement commensurate with each child's ability through individual and personalized programs.

The results of the EXPLORE Test are used to place incoming freshmen at Notre Dame Academy.
