Annual Report 2000-01

A Note from the Principal

Dear Friends and Alumni,

Holy Family School is happy to present this Annual Report. We are grateful for the blessings of the 2000-01 school year.

Our theme, *Summoned to Serve*, was particularly lived by students in our middle school Service Program. This year, 35 students in 8th grade completed the program, logging 1,162 volunteer hours in home, church, school or community settings. The 7th graders earned 815 service hours, and the 6th graders recorded 1,102 volunteer hours.

2000-01 marked a milestone in the Service Program as our 8th graders were the first to voluntarily participate all three of their middle school years, thus, earning a service pin. Twenty-nine 8th graders (43%) were awarded a service pin.

Curriculum development included new math texts and manipulatives for grades K-8. A review established algebra as the course for all 8th graders and a pre-algebra transitional course for all 7th graders. A faculty curriculum study for English in grades 5-8 and social studies for grades 6 and 7 resulted in the purchase of new texts and materials for the 2001-02 school year.

To enhance our cultural learning, we had Ms. Miho Masuzawa, from Japan, with us for three months. Ms. Masuzawa shared her culture, dress, art and activities with the entire school. For two winter months, we hosted Valeria Meilla, a 13 year-old student from Panama, Central America. She studied with the 7th grade class. These cultural exchanges benefitted us all!

An exciting professional opportunity for the teachers was to attend the National Catholic Education Association Convention in Milwaukee

Our Mission

The mission of Holy Family School is to form a partnership with parents, staff and community to provide students with a comprehensive and quality educational program which promotes the spiritual, intellectual, moral, physical, emotional, and social growth of each individual student.

during spring break. The teachers delighted in the chance to share and learn with thousands of other Catholic school teachers.

In response to safety issues facing all schools, we installed a security system during the 2000-2001 school year. All school doors are locked, and a "buzz in" system with video monitor is employed for entry into the building.

Sincere appreciation is given to the priests, faculty, staff, parents, Board of Education, Home and School Association, and parishioners of St. Agnes Parish and St. Elizabeth Ann Seton Parish who continue the mission of the Catholic Church through their support.

May God be our source of energy and guidance. May we be living examples of the Good News for each other. May God bestow rich blessing upon each of you for your generous and dedicated support!

God bless you,

Sister Kathryn Klackner

Sister Kathryn Klackner

Our Theme This Year

Summoned to serve by God's holy word.

We're called to act on what we believe.

Summoned to serve.

Show the Good News that we have received.

Summoned to serve.

To act justly towards both young and old,

To have mercy and work to share a load.

Summoned to serve by God's holy word.

We're summoned to serve.

(written by Sr. Carol Juckem, music teacher)
