PILLOW PALS FOR FOSTER FRIENDS: I am Keiryn Weiss and I am in Mrs. Foote's 4th Grade class. I developed a program I call "Pillow Pals for Foster Friends". What I do is take a plain pillowcase, decorate it, and put inside of it a journal and a stuffed animal. When foster kids go into the foster system, they are given one of my "Pillow Pals" so they can have something of their very own, since most of them come with nothing at all. What I am asking of you is, if you happen to have a lot of new or like new stuffed animals piling up in your house, or a bunch of journals (diary, composition notebooks, etc.) that aren't being used, or solid, pastel colored pillowcases you don't need, I can help you give them a good home. I promise the foster kids who receive them will be forever grateful. I am hoping to keep this project ongoing for many years to come, because unfortunately there are always going to be kids going into the foster care system. Hopefully I can bring them a little happiness. So please keep me in mind as you do your spring cleaning both now and in the future. **THANK YOU FOR ALL YOUR HELP!** If you have any questions you can contact my mom, Lynn Weiss, at 490-9676 OR 680-4891. Thank you, Keiryn Weiss
